About Conference

One of the primary motives of the International Conference on Multidisciplinary Engineering Sciences and Information technology(ICMESIT-2020) to be held in Bhubaneswar, on the 28th - 29th of Febuary 2020 is to spur unique discoveries in terms of countering conventional challenges faced in everyday engineering activities and technologies. Technology is progressing at a very fast pace, which currently is weighing heavily on the earth's bounty of natural resources and causing serious damage to the environment. The price for this large-scale and mass expansion in all forms of daily life is being paid for in the form of climate change
